Dear Colleague:

It is time for student leaders from across the United States to consider taking the challenge to apply for National Office. Serving as a National Officer is more honor, it is an opportunity to lead at a national level, driving FBLA-PBL's mission through the organization's strategic plan.

New for 2021, the FBLA-PBL Board of Directors established an Elections Committee to support the annual election of national officers. As chair, I am joined by Jody Jones, Florida FBLA-PBL State Adviser; Jeff Victor, New Jersey FBLA-PBL State Chair; Kianna Bolante, FBLA National Parliamentarian, and Maddy Remington, PBL National Parliamentarian to execute the following official responsibilities:

- Establish and Provide Oversight on Policies and Procedures to Support the Annual Election of the National Student Officers by Division
- Support National Center Staff in Conducting the Election to include:
 - ✓ Review Candidate Applications
 - ✓ Establish Guidelines for Campaign Materials
 - ✓ Ensure Compliance With all Policies and Procedures by Candidates, Local Chapters, and State Affiliates

If you have any questions concerning service as a National Officer or planning for the election, please feel free to contact the Elections Committee Staff Liaison, Lisa Smothers (lsmothers@fbla.org).

Sincerely,

A handwritten signature in cursive script that reads 'Daniel Hazlett'.
