

2022 NLC COMPETITIVE EVENT TIPS

- ❖ All competitors and advisers are responsible for reading and following competitive event guidelines. Complete competitive event guidelines can be found at www.fbla-pbl.org on each division's competitive events page.
- ❖ All competitive event guidelines regarding repeat competitors are in place for 2022. Please review the competitive event guidelines.
- ❖ Membership dues and NLC registration must be paid in order to compete.
- ❖ Make sure you follow the [FBLA-PBL Dress Code](#). Do not risk disqualification or point deductions because of improper attire. If you have a question as to whether your attire is appropriate, please check with your adviser.
- ❖ There will be no competitor additions or substitutions onsite.
- ❖ Make sure you know where to report before your event time.
- ❖ Remember, elevators and buses may be slow, so allow ample time to get to your scheduled competitive event.
- ❖ Name badges must be worn for all competitive events. Participants in performance events may take off their name badges when presenting.
- ❖ Internet is provided for certain competitions. Please check the competitive events guidelines for more information. Please note that Internet connections can be unreliable. Be sure to have a backup plan for your presentation in the event that you aren't able to connect to the Internet.

NEW FOR THE 2022 NLC

- ❖ FBLA ONLY: Picture identification (ID) must be presented when checking in for all competitive events. Picture ID can be a driver's license, passport, state-issued ID, or school ID. If an FBLA member does not have a picture ID, please click [here](#) for more information.
- ❖ Cafeteria-style seating will be instituted during online testing at NLC. This means that as members start to line up for their testing session, they will be allowed to go in and take their test if seats are available.
- ❖ Members will be allowed to bring their own device for online testing, which enables them to use a device they are familiar with. Laptops will be supplied if needed.
- ❖ Competitive event prize checks (given to the top three competitors/teams in each competition) will now be mailed after the NLC to the address(es) provided at registration.
- ❖ FBLA-PBL will be piloting remote judging during the Preliminary Round for the Job Interview and Sales Presentation events at each of the NLCs this year. This is being done in an attempt to simulate modern real-world business practices of initial conversations/presentations being done virtually to qualify for further, in-person conversations/presentations and will allow us to determine the feasibility of having remote judges in the future.
